EDUCATION

Software Engineering Technology (Advanced Diploma)

Centennial College, Toronto, ON

Sept. 2025 - Present

GPA 4.2/4.5

SELECT ACADEMIC PROJECTS

Queue Card Study Web App

- Collaborated with two classmates to build a web app using Agile development processes and GitHub Copilot for AI-assisted coding

Assessment Scheduling & Notification System — Software Requirements Specification

- Partnered with a classmate to write a detailed SRS document for a system to schedule and notify Centennial College students of assessments, applying software engineering and requirements engineering processes

Restaurant Website — HTML, CSS, JavaScript

- Built a full restaurant website independently, including a menu, calendar, image slideshow, dropdown navigation menu, and an interactive mini-game

RELEVANT WORK EXPERIENCE

Freelance Web Developer | *Self-Employed, Whitby, ON*

Dec. 2025 - Present

- Built and maintain a custom website for landscaping client NB Landscape Construction using HTML/CSS/JavaScript, Formsfree and EmailJS for contact forms, and Netlify for hosting
- Resolved client-side technical issues independently, including DNS configuration troubleshooting
- Manage ongoing site maintenance and updates as the client's long-term technical contact

OTHER WORK EXPERIENCE

Owner / Operator | *Jackson's Painting, Whitby, ON*

Jan. 2026 - Present

- Solely operate a residential painting business, handling client quoting, scheduling, painting work, and all business administration
- Designed, built, and maintain the business website (jacksonspaint.com) using HTML, CSS, and JavaScript
- Implemented local SEO strategy including Google Search Console setup, sitemap submission, and Google Business Profile optimization to improve search visibility

Co-Owner | *Horizon Painting, Whitby, ON*

Jan. 2024 – Sept. 2025

- Co-founded and co-operated a painting business with two co-workers, sharing responsibility for client work and business operations
- Left the business to pursue full-time studies in Software Engineering Technology at Centennial College
